## EDUCATION

### HIGHER SECONDARY SCHOOL

Naktala High School

2019 - 2021

### BACHELOR OF TECHNOLOGY

Netaji Subhash Engineering College

2021 - 2024

## PROFILE

As a junior frontend developer, my career objective is to leverage my expertise in **ReactJS, JavaScript, CSS/CSS3, Tailwind CSS, JSX, HTML/HTML5, API handling, Routing,** state management **(useState)**, and side effects **(useEffect)** to contribute effectively to dynamic projects. I am particularly passionate about creating intuitive user experiences and **responsive designs**. With my past experience in developing an art gallery website using React JS, including implementing fully functional signup/signin features with **Node.js** and **MongoDB**, designing a **responsive** homepage, and seamlessly **integrating API calls to display images using Axios**, I aim to continue growing and delivering high-quality.
